

# Saturday Special, Sept. 26th

## Economy in Buying Children's Hosiery.

That's what it is if you buy them here, and especially next Saturday. We have got a pretty good reputation of passing out extra values in Children's Hosiery and we propose to maintain it—even better it, if possible—and the kind we sell Saturday will help it, for they are the kind most merchants sell for 25c per pair.

**Saturday We Will Sell Them for 16c Per Pair or Three Pairs for 45c.**

Bring in your barefooted boys with cheeks of tan, or send them in, for it's time to cover up those bare feet now—or at least time to prepare—and you can do the most of it in the best way for the least money right here.

Letter to C. H. Campbell.

Barre, Vt.

Dear Sir: We manage to get some fun out of paint. J. K. Kohlmeier, Grove City, Pa., put in Devos. Along came a salesman of somebody else's paint before ours had got there. Kohlmeier weakened, hung-fire and flopped; stopped our and took his.

It was our turn now. We emptied our can into his and his into ours. The short-measure was his, not ours; and we kept our man.

And, ever since then, that paint manufacturer gives full measure; his paint is not pure, but his gallon contains four quarts.

Go by the name; and the name to go by is Devos lead-and-zinc.

Yours truly,

F. W. Devos & Co.

P. S.—Reynolds & Son sell our paint.

## SIRONGEST EVIDENCE OF FAITH

Rickert & Wells Guarantee That Hyomei Will Cure the Worst Case of Catarrh in Barre.

When one of the most reputable concerns in Barre guarantees that a medicine will effect a cure or they will refund the money, it speaks volumes as to the merits of that remedy. It is in this way that the Red Cross Pharmacy is selling Hyomei, the treatment that has made so many remarkable cures of both acute and chronic catarrh in Barre and vicinity.

Hyomei is not a pill nor is it a liquid that has to be taken with a tablespoon or wineglass. Just breathe it by the aid of an inhaler that comes in every outfit and benefit will be seen from the first treatment.

It destroys all germ life in the air passages and lungs and enriches and purifies the blood with additional ozone. It cures catarrh of the head and throat, or of the stomach, liver and kidneys. Wherever mucous membrane contains catarrhal germs, there Hyomei will do its work of healing. When using this treatment, the air you breathe will be found like that on the mountains high above the sea level, where grow balsamio trees and plants which make the air pure by giving off volatile antiseptic fragrance that is healing to the respiratory organs.

A complete Hyomei outfit costs but \$1.00 and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Remember that if Hyomei does not cure you, Rickert & Wells will refund your money. This is a good time to cure catarrh by this natural method and prevent catarrhal colds that are so common at this season.
